CITY OF LODI INFORMAL INFORMATIONAL MEETING "SHIRTSLEEVE" SESSION CARNEGIE FORUM, 305 WEST PINE STREET TUESDAY, JUNE 19, 2001

An Informal Informational Meeting ("Shirtsleeve" Session) of the Lodi City Council was held Tuesday, June 19, 2001 commencing at 7:02 a.m.

A. ROLL CALL

Present:

Council Members - Hitchcock, Howard, Land, Pennino and Mayor Nakanishi

Absent:

Council Members - None

Also Present:

City Manager Flynn, City Attorney Hays and City Clerk Blackston

B. <u>CITY COUNCIL CALENDAR UPDATE</u>

City Clerk Blackston reviewed the weekly calendar (filed).

Announcement

City Manager Flynn informed the Council that he received a notice from the State Assembly that a public hearing will be held at the State Capitol on June 22, at 11:00 a.m. to discuss redrawing district lines.

C. TOPIC(S)

C-1 "Review of proposed 2001-03 Financial Plan and Budget"

Deputy City Manager Keeter noted that the Council has received an amended 2001-03 Financial Plan & Budget / Capital Budget Detail by Activity summary sheet (filed). Additional Capital Improvement Project reports include a \$60,000 request for interim animal shelter improvements to lease a trailer, purchase cat cages and dog kennels, and install exhaust fans. Two projects have been included in the Wastewater Division: 1) Wastewater capital maintenance; and 2) White Slough capital maintenance – both of which are general improvements and are funded through the Wastewater fund. Public Works has requested various street maintenance projects including the removal of the railroad tracks on Lodi Avenue. These projects will be funded through Measure K, TDA, and federal and state monies. Downtown street improvements will be funded through Electric Utility, CDBG, and other street funds. Major street expansion projects include Lower Sacramento Road, Century Boulevard extension, Kettleman Lane increase from two to four lanes between Ham Lane and Tienda Drive, and other miscellaneous widenings.

Ms. Keeter reviewed the 2001-03 Financial Plan and Summary / Changes in Fund Balance – All Funds Combined (filed). Staff projects an overall increase in revenues, primarily from sales and property tax. Electric Utility is expected to generate \$8 million in fees.

City Manager Flynn stated that staff will be recommending increases in water and sewer rates this summer.

In response to Council Member inquiries about bulk power costs, Electric Utility Director Vallow stated that he is 100% confident that it will not negatively affect the General Fund.

In reply to Council Member Land, Ms. Keeter stated that there is an approximate 13% reserve in the General Fund.

Council Member Hitchcock asked for an explanation of line 24, under Other Sources (Uses) for \$4 million.

Ms. Keeter explained that Other Sources (Uses) includes salary savings by budgeting at the E step and hiring at the A step, carry over from the last two year budget, grants that are anticipated to be received, the market cost adjustment for Electric Utility, and salary savings for "hire lag" – the time between when a vacancy occurs and when it is filled.

City Manager Flynn noted that there is \$13.6 million in Other Sources, of which \$9 million is proceeds from debt financing that has not yet been approved. It was reported in this way to offset the proposed capital costs.

Council Member Hitchcock felt that showing more detail in this report would be beneficial, particularly in describing Other Sources (Uses) and Operating Transfers In and Out.

Referencing page 2, Changes in Fund Balance – General Fund, Other Sources (Uses), Ms. Keeter explained that the \$5 million under Operating Transfers, incorporates the cost of services and \$3.5 million that is generated from water, sewer, electric, and transit funds. It also includes \$1 million from gas tax, \$82,000 from street sweeping and sewer, \$25,000 from water and sewer for their injury and illness prevention plan, and \$25,000 from Electric Utility for their injury and illness prevention plan. Line 23, Operating Transfers Out, shows \$1.5 million for the capital outlay fund that will be used for the Public Safety Building. The balance would go towards insurance. Line 24, \$3.3 million represents carry over from the last budget, salary savings, anticipated additional revenue from electric rates, and miscellaneous revenue such as anticipated grants. Line 25 represents the cost of medical, dental, and vision benefits.

General Fund Capital Outlay, page 8, shows a Transfer In of 30% of property taxes. Line 6, Service Charges, includes \$1.6 million in impact fees. Line 18 includes the design phase for the Animal Shelter, \$150,000 for Parks and Recreation general projects, \$538,000 for the Skate Park, \$75,000 for the Information Systems computer replacement fund, and Community Development's capital requests. In year two, there is \$17.6 million for the construction of the Aquatics Center, Indoor Sports Complex, Lodi Lake improvements, Animal Shelter, and DeBenedetti Park. Line 25 shows proceeds from debt financing. Line 30, Designated Reserve, includes \$3 million set aside for the Public Safety Building, and \$4.6 million of impact fees and designated projects. In year two it includes a total of \$4.5 million for the Public Safety Building project.

Council Member Hitchcock pointed out that construction costs are shown for other projects, but not the Public Safety Building, and felt that they should be reported in the same way. Mayor Pro Tempore Pennino expressed agreement.

Ms. Keeter pointed out that the \$67,000 under Changes in Fund Balance – Equipment Fund, is for the City's non-rolling stock. Under the Debt Service Fund, \$1.2 million represents the two Certificates of Participation for the downtown area and Hutchins Street Square. Electric Fund, line 16, shows \$30.5 million for bulk power purchases. The proceeds from the debt financing are almost doubling, and the fund balance is increasing in both year one and two.

Discussion ensued regarding how sales and purchases of power are reported. Finance Director McAthie explained that it is shown as a net amount.

Ms. Keeter reported that the total fund balance for both Wastewater and Water is decreasing. A Shirtsleeve Session will be scheduled in the near future to discuss possible rate increases.

Mr. Flynn explained that upgrading older infrastructure on the east side of the city needs to be calculated into the rates.

Referencing page 14, Transit Fund, Ms. Keeter stated that the expenditures were adjusted to reflect what will likely happen when the contract is renegotiated for the fixed route, Dial-A-ride, and administration of the transportation system. The amount was increased to \$2.3 million. The Benefits Fund on page 15 includes medical, dental, vision, chiropractic, employee assistance program, life insurance, long term disability and unemployment. Page 16, Self Insurance Fund, includes general liability, Workers Compensation, and miscellaneous insurance. The Vehicle Maintenance Fund on page 17 will be renamed "Vehicle Replacement Fund" to better reflect its

Continued June 19, 2001

purpose. The Trust and Agency Fund on page 18 includes the business improvement district downtown, debt service, and the private sector trust fund for the library.

Council Member Land pointed out that the fund balance in 1999-00 was \$30 million and in the 2001-03 budget it is \$38 million. He commended the City Manager for doing a good job.

D. COMMENTS BY THE PUBLIC ON NON-AGENDA ITEMS

None.

E. ADJOURNMENT

No action was taken by the City Council. The meeting was adjourned at 8:17 a.m.

ATTEST:

Susan J. Blackston City Clerk

Mayor's & Council Member's Weekly Calendar

WEEK OF JUNE 19, 2001

Tuesday, June 19, 2001

7:00 a.m.

Shirtsleeve Session

1. Review of proposed 2001-03 Financial Plan and Budget

5:30 p.m.

Nakanishi. Grand Opening of Prime Shine Express (5:30 - 6:30 p.m. at the car wash site and 6:30 - 8:00 p.m. at Wine & Roses Country Inn).

Wednesday, June 20, 2001

7:00 p.m.

City Council meeting.

3 Closed Sessions (Note: 5:30 p.m.)

6 Presentations

23 Consent Calendar items No Public Hearings 4 Regular Calendar items

2 Ordinances

Thursday, June 21, 2001

5:30 - 7:30 p.m. Chamber Business "After Hours" Mixer at J & D Auto Body, 400A N. Cluff

Friday, June 22, 2001

Saturday, June 23, 2001

9:00 - Noon

Safe Kid's Day, Blakely Park. Featured instructions/activities include: water safety; bicycle education; child CPR; fire, fireworks, electrical, animal and pedestrian safety; nutrition; CrimeStoppers; and Lodi Police Canine, Equestrian and Motor units.

Sunday, June 24, 2001

Monday, June 25, 2001

1:00 p.m.

Nakanishi. Lodi Chapter #2533 AARP's 25^{th} Anniversary luncheon, Loel Center. Mayor to give welcome to the group.

2001-2003 Financial Plan and Budget Request

CAPITAL IMPROVEMENT BUDGET REQUEST

ACTIVITY:

Wastewater Treatment

REQUEST TITLE: White Slough Water Pollution Control Facility Capital Maintenance

Project Description

Major replacements and repairs of facility components and equipment.

Project Objectives

Maintain reliability and efficiency of wastewater treatment facilities.

Existing Situation

The City's wastewater treatment facility was originally constructed in the mid 1960's. Various components, as listed, are in need of major repair or replacement, independent of future improvements to the facility. Other components have been identified as needing repair or replacement in a Component Reliability Study performed by the City's Wastewater Master Plan consultant. Excerpts from that study are attached which better define the work recommended.

Schedule and Project Costs

					Project
Fiscal Year	2001-2002	2002-03	2003-04	2004-05	Total
*Roadway Improvements (CM)			\$ 30,000	\$ 30,000	\$ 60,000
*Variable Frequency Drive Replacements (CM)	\$ 70,000	\$ 70,000			\$ 140,000
*Digester Cleaning	\$ 5,000	\$ 55,000	\$ 55,000	\$ 55,000	\$ 170,000
Aeration Basin pH Control Chemical Addition	\$ 92,000				\$ 92,000
Chlorine Residual Monitor Replacement	\$ 55,000				\$ 55,000
Replacement Comminutors with Screens		\$ 30,000	\$325,000	\$325,000	\$ 680,000
Restore Gate Operability at Headworks		\$ 5,000	\$ 56,000		\$ 61,000
Enlarge Capacity of Industrial Influent Pump		\$ 5,000	\$ 72,000		\$ 77,000
Temporary Clarifier Chemical Feed System	\$ 5,000		\$290,000		\$ 295,000
RAS and WAS Pump Modifications			\$ 30,000		\$ 30,000
Liquid Hypochlorite/Bisulfite Disinfection			\$ 15,000	\$260,000	\$ 275,000
Total:	\$227,000	\$165,000	\$873,000	\$ 670,000	\$1,935,000

^{*} These projects had funds approved in the 1999/01 Capital Improvement Budget but were unable to be completed during that budget cycle.

Notes: All funding from Wastewater Capital Outlay Funds, 17.2

(CM) means Capital Maintenance Project account automatically appropriated with budget.

Alternatives

For slight reductions, roadway and equipment replacement projects can be deferred.

Project Effect on Operating Budget

Minor reductions in electrical and labor costs.

^{**} This project had originally been scheduled through the 2003/04 budget cycle. Acceleration is requested to complete this task in a more timely manner.

2001-2003 Financial Plan and Budget Request CAPITAL IMPROVEMENT BUDGET REQUEST

ACTIVITY:

Engineering

MISSION CATEGORY: Wastewater Utility

REQUEST TITLE:

Wastewater Collection System Capital Maintenance

Project Description

Major replacements and repairs of mains and other system components.

Project Objectives

Maintain reliability and efficiency of wastewater collection facilities.

Existing Situation

The City's wastewater collection system is reaching an age in which the older lines (primarily in the Eastside) need to be replaced. Many of the lines are concrete pipes, which suffer from chemical corrosion and do not have capacity for the present demand.

Project Work Completed

Some replacement of older lines has taken place in conjunction with other projects, such as the Downtown Revitalization. While the Wastewater Utility has a positive fund balance, rates are under review to ensure that adequate funding will be available for these projects.

Schedule and Project Costs

Fiscal Year:	2001-02	2002-03	2003-04	2004-05	Total
Construction:					
Miscellaneous System Relocations (CM)	\$ 15,000	\$ 15,000	\$ 15,000	\$ 15,000	\$ 60,000
Miscellaneous Main Replacements (CM)	\$ 200,000	\$ 200,000	\$500,000	\$ 500,000	\$1,400,000
Sewer Taps (CM)	\$ 20,000	\$ 20,000	\$ 20,000	\$ 20,000	\$ 80,000
Main Trunk Line Corrosion Control Pilot Stud	dy				
(Chemical addition)		\$ 60,000			\$ 60,000
Total:	\$ 235,000	\$ 295,000	\$535,000	\$ 535,000	\$1,600,000

Note: All funding from Wastewater Capital Outlay Funds, 17.1

(CM) means Capital Maintenance Project account automatically appropriated with budget.

Alternatives

1. For slight reductions in expenses, the landscaping and erosion/roadway projects can be deferred.

Project Effect on Operating Budget

Additional engineering staff or consultant time will be needed to accomplish the main replacement program shown and these costs are included.

2001-2003 Financial Plan and Budget Request CAPITAL IMPROVEMENT BUDGET REQUEST

ACTIVITY:

Transportation

REQUEST TITLE:

Downtown Streets Improvements

Project Description

This project consists of repair and enhancements of Downtown streets adjacent to the renovated section of School Street. The work includes street, sidewalk, and curb and gutter repairs, as appropriate; installation of street lighting using the same green poles and globes as used on School Street; installation of trees with an irrigation system; and, placement of the same type benches and trash receptacles as used on School Street.

Project Objectives

The objective of this project is to:

- Rehabilitate the aging streets in the Downtown;
- Provide pedestrian amenities as identified in the Downtown Revitalization Program;
- Continue the incentive for Downtown property owners to renovate their buildings;

Existing Situation

The existing Downtown streets and sidewalks consist of a mixture of design types and ages. While the Downtown Revitalization catalyst project on School Street included some work on the adjacent blocks of Pine and Oak streets, there is a need for sidewalk improvements on these blocks, and other adjacent streets were untouched by the project. In the normal course of street maintenance, these streets would receive various pavement and drainage improvements; however, these would not normally be done in a manner that would provide the enhancements called for in the Downtown Revitalization Program. This project, if approved, would set the standard at this higher level.

Project Work Completed

Based on the Downtown Revitalization Program, budget estimates, including the items in the project description, have been prepared by City staff. This is an ongoing capital improvement program that is entering the third year of implementation. The transfer of street lighting to the Electric Utility Fund will provide funding for the streetlight portion of the program. The program would be implemented at blocks adjacent to major public or private projects in the downtown area as has been the case with the theatre project. The next years of the program include improvements to Walnut, Oak, Locust, and Sacramento Streets.

Schedule and Project Costs

	2001-02	2002-03	2003-04	2004-05	Project Total
Street Improvements	\$ 37,000	\$108,500	\$ 54,000	\$291,500	\$ 491,000
Street Lighting	\$ 37,000	\$ 67,000	\$ 48,500	\$ 78,500	\$ 231,000
Landscaping/Pedestrian Amenities	\$ 86,000	\$106,000	\$200,000	\$208,000	\$ 600,000
Total	\$160,000	\$281,500	\$302,500	\$578,000	\$1,322,000

Recommended Funding Sources: Street Fund, Electric Utility, and Community Development Block Grant, Measure K

Project Effect on Operating Budget

Some increase due to additional electrical and water usage.

ACTIVITY:

Transportation

REQUEST TITLE:

Major Street Expansion Projects

Project Description

These projects are major street widenings and extensions not included in other project descriptions. They are:

- Lower Sacramento Road widening from Kettleman Lane to Kristen Court this will be accomplished in partnership with the County of San Joaquin that secured the funding reservation from San Joaquin Council of Governments. City of Lodi will act as the lead agency for design and construction activities. Design of the new roadway will be similar to the widening project north of Kettleman Lane.
- Century Boulevard extension from near Sage Way to Lower Sacramento Road is being done to provide improved traffic circulation for residents south of Kettleman Lane. Combined with the extension of Mills Avenue to Harney Lane by residential developers, new access will be provided to the arterials, Lower Sacramento Road and Harney Lane. A traffic signal will be installed at Century Boulevard and Lower Sacramento Road.
- Kettleman Lane will be widened to 4 lanes between Ham Lane and Tienda Drive. Additionally, medians and landscaping will be installed between Lower Sacramento Road and Cherokee Lane.
- Miscellaneous widenings this consists of City participation through the Development Impact Fee Program in which the fee program participates in the cost of "oversize" streets being built as part of a development project.

Project Objectives

The objective of this project is to provide street infrastructure that serves the demands of growth in the City.

Existing Situation

Lower Sacramento Road is in need of significant maintenance and widening. The project is included in the Lower Sacramento Road Special Purpose Plan and is a priority project for the County and City. This project and the Century Boulevard extension will provide the street frontage improvements at DeBenedetti Park that are required before that facility can be used. With the Kettleman Lane project, turning restrictions will be implemented at several intersections between Ham Lane and Lower Sacramento Road resulting in the requirement for new routes to be provided in the southwest quadrant of the City.

Project Work Completed

Plans for Lower Sacramento Road between Kettleman Lane and Harney Lane are being prepared with construction expected to begin in Summer 2002. The design will conform to that approved by the San Joaquin County Board of Supervisors in the Lower Sacramento Road Special Purpose Plan.

Kettleman Lane project environmental review and design are underway. Right of way acquisition will be required for the project and the necessary technical and appraisal studies are in process. Construction of the project will be led by City forces and is expected to begin Spring 2002.

Design of the Century Boulevard extension to Lower Sacramento Road is completed. Construction of the extension will be coordinated with the Lower Sacramento Road project. Half-width improvements will be constructed on the City side of DeBenedetti Park.

Schedule and Project Costs

	2001-02	2002-03	2003-04	2004-05	Project Total
Lower Sacramento Rd Kettleman to Kristen	\$1,100,000	\$1,100,000			\$2,200,000
Kettleman Lane Gap Closure and Medians		\$2,600,000			\$2,600,000
Century Boulevard Extension	\$500,000				\$500,000
liscellaneous Widenings (Street IMF)	\$30,000	\$30,000	\$30,000	\$30,000	\$120,000
Tota	I: \$1,630,000	\$3,730,000	\$30,000	\$30,000	\$5,420,000

Funding: Measure K, Gas Tax, Transportation Development Act, State & Federal Transportation Improvement Program except as noted.

Misc. Widening projects are typically appropriated with the approval of the individual development projects.

REQUEST TITLE:

Street Maintenance Projects

Project Description

This project consists of major street maintenance projects and upgrades to traffic control systems not included in the operating budget. Included in this work is the review of traffic signal timing, performing car and truck counts, and the purchase of materials required to perform the work. Major street widening, extensions and other significant programs are included in a separate project description.

Project Objectives

The objective of this project is to:

- · Rehabilitate the aging streets in the City;
- · Provide safe and efficient traffic control systems.

Existing Situation

Over the past few years, the focus on a few major street projects (mainly Lower Sacramento Road, Stockton Street, Downtown) has meant that the more typical street overlay and repair projects have been delayed. This "project" continues to focus efforts on the fundamental maintenance projects that need to be addressed. Some of the listed projects have been rescheduled from the previous budget.

Project Work Completed

Budget estimates have been prepared for most of the projects listed and increased funding, mainly Federal funds, has been secured for a number of the projects listed.

Schedule and Project Costs

					Project
	2001-02	2002-03	2003-04	2004-05	Total

1999-2001 Financial Plan and Budget Request CAPITAL IMPROVEMENT BUDGET REQUEST

ACTIVITY:

Animal Shelter Services

REQUEST TITLE: Interim Animal Shelter Improvements

Project Description

Improve Animal Shelter Services' ability to house cats and dogs by leasing a portable trailer and by purchasing cat cages and dog kennels.

Project Objectives

Provide interim arrangements for Animal Shelter Services until such time as a new facility is constructed.

Existing Situation

The current Animal Shelter was constructed in the 1960's and no longer meets the space needs for adequately housing animals. The Lodi Animal Shelter Task Force recommends that the City acquire new interim space for the office area via a portable trailer, re-arrange the former office area, and purchase additional housing units for cats and dogs. The cages and kennels can also be utilized in the proposed new facility.
